Pass-in' by your door - step, saw your lamp - light glow.

Sort of feel-in' down and out, feel-in' sad - ly low.

Thought of our dis-cus - sions, thought of times at school.

Won-dered if you just might spare a CUP OF HOPE FOR A FOOL.

Once I had a fam-ily, drove them all a - way.
Once I had a fu - ture, threw it all a way.

All my friends have left me, 'cept for you, you stayed.
All my dreams have left me, 'cept for one, you stayed.

Took a chance by stop-pin'. Would-n't break no rule.
Took a chance you'd lis - ten. Damn the ri - di - cule!

Took a chance you just might spare a CUP OF HOPE FOR A FOOL.
Took a chance you just might spare a CUP OF HOPE FOR A FOOL.

Just the thing for my de-spair A CUP OF HOPE FOR A FOOL.
