all a - bout? what it was all a - bout?

1. Did n't wait to watch me cry, just packed her bags and said good-bye.
2. Did-n't hear me cry out, "Whoa!", just let me know where I could go.
3. Did-n't leave a sing - le clue, just let me pay the dev - il's due.
4. Did-n't let me make the sale, just sad - dled up and hit the trail.

Hoped she'd share my cas - tle, hoped she'd feel at home.
Hoped she'd be my prin - cess, hoped that we'd find joy.
Hoped she'd call me sire, hoped she'd share my crown.

Hoped I'd be Prince Charm - ing, 'stead of her ug - ly gnome.
Hoped I'd be her sov - 'reign, 'stead of her whip - pin' boy.
Hoped she'd raise me high - er, 'stead she just let me down.

WHY DID - N'T SHE (trail.) WHY DID - N'T SHE TELL ME?!
