WHY WOULDN'T I scale that  
moun-tain, or sail that sea? WHY WOULDN'T I do what - e - ver it takes  
to make you see. WHY WOULDN'T I ford that ri-ver or cross that  
line. WHY WOULDN'T I do what - e - ver it takes to make you mine.  
No sac - ri - fice too great. No chal - lenge I won't face. The  
e - ven walk on coals or swim an i - cy lake. To  
Gold - en Fleece you are to me, a prize I can't re - place. WHY  
lose the gold - en prize you are would make my poor heart break. WHY  
WOULDN'T I fight that bat - tle, or build that shrine? WHY  
WOULDN'T I face that de - mon? You're so di - vine. I  
WOULDN'T I do what - e - ver it takes to make you mine. I'll  
(mine.) WHY WOULDN'T I do what - e - ver it takes to make you mine.
